NutriMinC[®] RE⁹[®] **REtaliate Wrinkle Filler**

The REsults speak for themselves.

A Clinical Consumer Study was conducted on the use of the REvolutionary, anti-aging REtaliate Wrinkle Filler.*

GABA helps to defy the look of aging skin

100% of participants experienced a reduction in the appearance of fine lines in seven days and a reduction in the appearance of deep wrinkles within 14 days

Hyaluronic-silica spheres soften and diminish the look of deep lines

100% of participants experienced smoother-looking skin within seven days and firmer-looking skin within 14 days

Anti-aging formula visibly relaxes the appearance of wrinkles and crow's feet

100% of participants experienced more youthful-looking skin within 14 days, 45% said they experienced more youthful-looking skin within one hour

*Based on a 28-day Clinical Consumer Study.
